OFFICE OF THE DEPUTY DIRECTOR

15 July 1983

Executive Registry

83-354313

NOTE FOR: Director, IC Staff

As you can see, after I passed on the attached 14 July request for your comments on political/economic reporting, we received additional background from Hugh Montgomery (also attached). I am passing that on, not for you to worry about the format, but in case the noted topics give you some ideas.

Also, now that we know his time-frame, you can take until 27 July to get this information to us.

Thank
